### Genie Z-45/25 DC or Bi-Energy Key Facts

- Choose 100% battery power or bi-energy flexibility
- Zero tail swing and 1.83m inside turning radius

- Fully proportional controls for smooth operation
- 3mph top speed and 30% gradeability
- Both versions available with a 1.5m jib, Z-45/25J DC and Z-45/25J Bi-Energy

Quiet, clean and energy efficient, the Genie Z-45/25 DC has a powerful electric motor and the battery capacity to work a full shift on a single charge. For additional flexibility, choose the Genie Z-45/25 Bi-Energy with diesel power for outdoors and emissions-free 48V DC electric for indoor work. Jib option available on both versions.
