## D39PXi-24

Powerful, versatile and nimble. If you want a dozer that's equally at home performing heavy site prep and accurate fine work, this model is an excellent choice. Powered by a fuel efficient, environmentally friendly EPA Tier 4 Final certified engine, it offers your operators a quiet, comfortable cab that provides unrivaled blade visibility. It's engineered to get jobs done quickly and accurately with its outstanding blade response, fast work equipment speed, an additional "fast-blade mode" that boosts blade speed for high-speed grading, and surprising maneuverability via full power to both tracks during turns or counter rotation steering.

**EMISSION RATING** Tier 4 Final

**NET HORSEPOWER** 105 HP @2,200 rpm (78 kW @2,200 rpm)
